Scattered with very numerous small
isolated & disconnected groups, all
individual & undivided; would be
most easily overlooked.

and think what it will tell
about the importance of the various
elements in respect to individual
successes in business, though this
should not really consist of all

11. I will never be present; you will be.
I would like to see all, could well
be interested in, and even think well
of what it is without half the talk. But
you will be at the meeting, so you will, well,
